The contribution that is deductible for federal income tax purposes is limited to the excess of the amount paid over the fair market value. The Agency estimates the fair market value for an individual golfer (Golf, Lunch & Dinner) for the day is \$140 and for one person having dinner only is \$55. Sponsorship of tees, beverage carts and closest-to-the-pin are fully deductible.

## The McCarthy Family

Chris McCarthy Golf Outing has become “the” event for many of the generous souls who participate. The good food, great friends, excellent golf and wonderful time has consistently brought back the same crowd each year while adding new friends. Great relationships get renewed annually at this event and all for a really good cause.

The funds raised from the Chris McCarthy Golf Outing go into a special Chris McCarthy Fund which is used to provide assistance and recreational activities for those affected by epilepsy, traumatic brain injury and other disabilities. Not only does the Fund maintain The Chris McCarthy Socialization Room (or affectionately called Chris’ Place) but it also sponsors food baskets for both Thanksgiving and Christmas each year.

This year again, Mercedes-Benz of Nanuet has generously offered to be our Tournament Sponsor... and this means many goodies for you! Not only will 2 golfers go to the Mercedes-Benz Dealer Championships at the Four Seasons Dallas at Las Colinas, but everyone will receive exclusive gifts provided by Mercedes-Benz of Nanuet.
